St. Paul's Lutheran Women have seven groups, named after St. Paul's Pastors' wives last names, which meet monthly. We welcome and invite any woman, member or non-member of our congregation, to come and join us for fun, fellowship, and studying God's Word in our lives.

We hope that all who come to this page will find useful information and will consider being a part or a more active part of the Lutheran Women. Please contact the church office if you have any questions or would like to learn more at splc@carolina.rr.com or (704) 633-0922.
